

First comment. Charlie's brother nearly lost a finger. We took a tumble with a grape stomper, a giant leap with Felix and a selfie with Ellen. A desperate but hopeful Nigerian prince is still waiting for that tiny deposit in exchange for \$40,000,000,000. Julian started leaking. And Alan! Alan! Alan! Alan! Alan! Alan! Mom! Mom! Mama! Mama! Maaa! Maaa! Get off **The** phone so I can use the **Internet**. Apparently dying became hilariously dumb and apparently most of the world became an elf apparently. Cats got grumpy and birds got angry but someone still didn't get an Oscar. Luckily, Charlie is always winning. Everyone got the invitation to #Susanalbumparty. We **Can't** unsee. Babies laughed at paper and discovered lemons. And ermahgerd gers **Be** rms! A Hungarian rapper tried to stop ALL the wars while Chatroulette got hit like a wrecking ball. We **Stopped** poking and started swiping and a chubby kid took on the Galactic Empire with a golf ball retriever. Dogs were... FENTON! A wedding party shimmied down the aisle, the father of the bride stole the show and a best man declared that we will not go quietly into the night. Julian kept leaking. A black president took to the podium and Yo Taylor (no, it's Becky) I'm really happy for you, imma let you finish, but Beyonce had one of the best videos of all time. Someone gave **20th** Century Fox a less than musical make-over. Chuck Norris killed two stones with one bird. We learned there are no mistakes, just happy little accidents. And yeah we're looking at you, Janet and Justin. Ricky kept hosting his **Annual** roast but Johnny Depp still hasn't watched The Tourist. Starbucks got our names wrong but Seaworld got everything wrong. Banksy tricked New Yorkers and won **Webby** person of the year. Ladies met the man their man could smell like and everyone's friendly neighbor warned us to hide yo kids hide yo wives, but ain't nobody got time for that. Only Sandra turned up to the Razzie **Awards**. And why can't we just LEAVE BRITNEY ALONE!? We watched towers fall, cities hurt and humanity rise. Boston stayed strong and London could take it because guess what? It gets better. Double dream hands and double rainbows all the way across the sky. But we will never look at one cup the same way again. A well-dressed primate went to IKEA, Charlie went to Candy Mountain and we're all going to hell for laughing at the Vine of one blind kid's determination to play American football, one blind kid's determination to play American football, one blind kid's determination to play American football. Elvis Presley starred in Change Of Habit with Edward Asner who was in JFK with KEVIN BACON. A singer left **Early** to go in a different direction and things escalated very quickly in a lift. Mister Splashy Pants made an **entry** and Mayans missed their **deadline**. We held our breath for the moment before the Rover landing and the second after 11.59.59 on 31.12.99. There was an evolution of dance for OK Go, Single Ladies (you're not a single lady, buddy) and Techno Viking. We are all Spartacus. Jimmy ate all the Halloween candy in **October**, reunited a friendly cast and gave kids shitty Christmas presents. All the while his girlfriend was fu\*\*\*\* Matt Damon. A guy strapped **30** packs of Mentos to himself and took a fizzy bath. A blender blended a blender but McKayla was not impressed. Shia grabbed **2015** by the balls and told everyone to JUST DO IT. DO IT! We listened to the shit everybody says, like a passionate pageant contestant who declared that education like such as South Africa and, uh, the Iraq everywhere like, such as and...believed that they should, our education over here in the U.S. should help the U.S., err, uh, should help South Africa and should help the Iraq and the Asian countries. Sarah could see Russia from her house. But where the hell was Matt? Llamas looked like people, a newsreader looked like a rapist, a guy looked like a thumb, but Renee Zellwegger looked nothing like Renee Zellwegger. The Lion King cast 'Naaaants een-vwen-yaaaaaaad' on a plane while a TV host lip-synched with everyone but the left shark just could not keep up. **Websites** broke fidelity but hackers broke the fidelity breakers. **Film & Video** was suddenly self-destructive. Screenshot! A woman heard herself speak for the first time but nobody understood a word that Iggy said. Flash mobs went mainstream **Mobile & Apps** went flappy. Everyone helped out photoshopping a sunset, a fish, a beach, a lost cat poster, an Eiffel tower and still had time to watch a rodent eat people food because such cute much wow. The world loved then loathed a superhuman. @BarackObama got social. An Aussie guy got way too **Social**. And then there was a tennis match that just would. Not. Stop. London opened with a bang, Russia got banged by a meteor and Sochi had its own problems. Between two ferns we found the God particle, sort of cured HIV and definitely saw a guy ride a real actual hover board. Myspace Tom was friends with everyone but to this day, nobody is clicking your banner **Advertising** (on purpose). Tears of joy fell hard at the ballad-infused reunion of a man and his long lost furless pal. Wikipedia made us smarter until suddenly numa numa, trolllol DON'T MIND ME I'M PLANKING lolololo and Peanut Butter Jelly Time. One button unleashed all kinds of crazy in a Belgian square but it had nothing on Lindsay's meltdown or Britney's umbrella -ella-ella. A foul-mouthed landlord never got her money, but we found a Bay full of Pirate treasures. BatDad stressed the importance of tough love while others just handed out FREE HUGS. A feline pop tart danced across the universe. For. Ten. Hours. It all made Pharrell very happy. We watched with the White House as they stormed the palace of Bin La...LEEEEEEEERRROOOOOOOOYYYYYYYYY JEEEEENNNKKIIIIINNNNNNNSSSSS! Nothing could save a bully from a geek or a girl from the embarrassment of not flushing after a shet. Julian just would not stop leaking. A charity started a global manhunt and an American goalkeeper saved the world over and over again. Lolcatz taught us that we CAN haz the cheese burger and we learnt that elephants are heavier than the moon. An angry redhead taught us that gingers do have souls. Women taught us that #ThisGirlCan. F\*CK HER RIGHT IN THE P\*\$SY! One does not simply **Enter** ↑ ↑ ↓ ↓ ← → ← → B A to escape the room. A dictator looked at things and everyone saw how many times the basketball got passed but completely missed the gorilla. Tiny Dads learned that moms had the best/worst job in the world, but not according to Tourism in Queensland. Adam could finally marry Steve, and Ryan finally ate his cereal. Everyone wanted to join Zuckerberg's book club, until **your** mom joined. Two Norwegians in furry costumes wondered what the fox said and 400km above the earth an astronaut paid tribute to a Duke. I like turtles. Christian Bale had a bad day at **work** while someone out of work wowed everyone with his radio voice. So. Much. Porn. Pinterest told us that the pain you feel **today** will be the strength you gain tomorrow, but please tell us more about your expensive new bendy phone. #FirstWorldProblems. James and Seth almost started a war and Rita Ora couldn't start launch an album if 50 Cent paid her. Hawkward. But not as awkward as a hair curling tutorial going wrong or when someone unleashed Tom Cruise on a sofa. Ohio State taught us that not all marching bands are losers and a stoned hitchhiker who went straight out of Dogg Town taught us that we're all worthwhile. Except for the baby that attacked a town, or the other baby who freaked out Ally McBeal. A photogenic convict broke the law only to steal our hearts whilst ridiculously photogenic guy just ran away. Bedside tables everywhere were adorned with penis beakers (google it) as everyone started kissing strangers and the Cloud started leaking. A potato side dish was kickstarted while an idiot was kicked in the face by a train. The world has been shaken by Harlem, styled by Gangnam, shredded by the Beach Boys and thrilled by Filipino prisoners. We united for Osl♡ and Je Suis Charlie but divided when we saw a white dress, no gold, no white, no gold. One woman danced her way out of a job and another nearly twerked her house on fire. We rode backwards on a pig, blessed a panda and got photobombed by a rodent. And thank fuck, Julian still hasn't leaked any **webbyawards.com** winners. Secrets were posted, dicks put in boxes and boom goes the dynamite. Millions risked hypothermia in the name of charity. Someone drove David home from the dentist in the Chocolate Rain, and was it Benadryl Pumpkinpatch or Bundlesnoot Clumber-thatch or Penicillin Lumberjack? All ffffound and written down (tl;dr) by some geeks at Wieden+Kennedy for our friends @
